

## **CWSR 2014 - 2015 Annual Progress Report**

### **Projects:**

- Charles James received his re-appointment letter as curator of the California Well Sample Repository from HR on June 15, 2015. The position will continue thru June 2016.
- Continue the reorganizations of core in both buildings
- Add 2,000 files to the Mount Diablo log collection
- Working to separate out-of-state Superior sample material for possible donation to other repositories out of state.
- Safety Check completed for: warehouse lighting and secured warehouse storage racks
- Chevron Well File Data sourcing project, 688 file boxes to Kern River for scanning.
- Material relocation project in building B – added storage space for approx 1000 boxes
- Andrea Weikel continues to help with project support duties to repository curator.

### **New material to be added to inventory:**

- New Core material from Naftex Operating Company, 119 BXS /Bulk core, 35 BXS Slab core, and 87 BXS / Sidewalls core. All material from various wells located in Edison and Midway Sunset.
- Core material from Hydrodynamics Group, LLC . We received 132 core barrels from the Lodi gas fields.
- Capital Oil Corporation donated 32 File cabinets of well log information from Northern California operations.

### **Volunteers:**

- Wednesdays from 8:00 till 11:00 AM
- Curated material added to inventory by volunteer staff. From July 2013 to June 2014 we added 437 boxes to the inventory equaling 279 wells.
- Curated material added to inventory by volunteer staff. July 2014 to June 2015 we added 722 boxes to the inventory equaling 378 wells.
- We averaged 7 Volunteers weekly , with 8 volunteers on the active roster
- We lost 1 Volunteer because of a change in his schedule, did not replace.

- Volunteer Luncheon held January 22, 2014 for the 2013 year.
- Volunteer Luncheon held January 21, 2015 for the 2014 year.

#### **New Equipment for Repository :**

- Portable 36" evaporative cooler purchased in July 2014 to help with the summer heating problem in the warehouse.

#### **Repository Student Employee:**

- Emmanuel Otaru and Grant Obenshain
